Y. M. C. A. WORKERS ARE READY  
TO START SPRINT  
FOR \$50,000.

## MEETING WAS HELD LAST SUNDAY

Many Prominent Men and Women  
Were Present to Aid and Encour-  
age the Enterprise—Real  
Work Begins Wednesday.

An all too meager audience, but one which made up in enthusiasm and quality for what was lacking in numbers, attended the opening mass meeting of campaign week at 3 p. m. Sunday at the Sedalia theater. If the audience was not large it was representative of the best interests of the city, and thoroughly capable of carrying through to a successful conclusion the move which means so much for Sedalia. By its repeated applause of the sentiments expressed by the speakers it signified its intention of giving such aid to the undertaking as leaves no possibility of failure.

Among those seated on the stage with Mr. Howser, the chief speaker of the day, were Lee Montgomery, Charles McLaughlin, E. W. Shultz, R. F. Harris, Dr. J. E. Cannaday, David Bulkley, J. W. McClain, J. H. Piper, Judge Louis Hoffman, Rev. Harold Cooper and almost a score of other men equally prominent in the affairs of the city, and who have never been identified with movements for civic improvement that have failed.

Those who failed to attend the meeting failed to hear a capable address by one of the Y. M. C. A. leaders among its workers in the field. The capabilities of Mr. Howser were considered when he was chosen to make the opening address of the campaign introductory meeting, and the interesting talk that was expected of him was certainly forthcoming. The meeting was opened with singing by the audience of "The Glory Song" and "All Hail the Power of Jesus' Name," followed by a prayer by Rev. W. A. McClanahan, of the Fifth Street M. E. church and Scripture reading by Rev. Harold Cooper, of the First Congregational church, after which a musical number by Brandt's orchestra, a pleasing vocal rendition by the male quartette and a solo by

## WILL GRADUATE JUNE 9.

Miss Christine Fischer, Who Was  
Reared in Sedalia.

The Democrat-Sentinel acknowledges the receipt of an invitation from Miss Christine Fischer, daughter of the late Adam Fischer, to be present on the occasion of her graduation from the Missouri State University at Columbia on June 9.

Miss Fischer is one of Sedalia's brightest young ladies, and a legion of friends will extend congratulations on her having completed the four years' course at the Athens of Missouri at the age of 19 years, which anniversary she celebrated in April last.

Miss Fischer is to be a member of the commencement chorus, and when she receives her diploma on Thursday of this week it will be an attestation that she has qualified herself to teach mathematics and physics, which is to be her life vocation.

Miss Christine is a sister of Miss Julia Fischer, who for several years past has been bookkeeper for the West St. Louis Water and Light Co., of which J. H. Bothwell is president. No better or brighter girls were ever reared in Sedalia, and no doubt Miss Julia's cup of happiness will be filled to overflowing on the occasion of her sister's graduation.

## THEY DINED AT SMITHTON

Party of Young Sedalians There Sunday Evening.

A party of Sedalians spent Sunday evening at Smithton, dining at the Smithton hotel and partaking of one of the most select and elegantly served meals ever served at this popular hostelry.

Mrs. W. B. Myers, the genial proprietress of the hostelry, whose ability in that line is too well known to necessitate comment, was in charge, and the menu consisted of everything from fried chicken and side dishes to ice cream and cake.

## Off for a Week's Fishing.

Mr. and Mrs. Albert Cassing, Mr. and Mrs. George Baker, Mr. and Mrs. J. L. Brooks and Mrs. Steele left this morning for a week's outing near Beaman. They will read the Democrat-Sentinel while absent. Mr. Cassing have ordered it mailed to him at Beaman, on rural route No. 1.

## The Late "U. D. C." Function.

The ladies who had charge of the "U. D. C." recital and reception last week request all who had tickets for sale to please make their returns at C. E. West's book store as soon as possible, in order that the amount realized from the function may be known.

## COURT IN SESSION

THE JUNE TERM OF THE CRIMINAL DIVISION CONVENED THIS MORNING.

State vs. Arthur Crook, burglary and larceny; on trial.

State vs. George Bartlett, disturbing the peace; cause dismissed.

## DIED OF HEART FAILURE

Body of Ward Dorsey Will Arrive Here at Midnight.

Mrs. John Dorsey, wife of the M. K. & T. yardmaster, today received a telegram from Dallas, Texas, sent by her husband, who went there to accompany to Sedalia the body of their son, Ward Dorsey, stating the young man had died from heart failure.

The body is expected to arrive in Sedalia on M. K. & T. flyer No. 6 tonight, and funeral services will be held at St. Patrick's Catholic church at 9 o'clock Wednesday morning.

The Rev. Fr. B. R. McNamee will officiate, and burial will be in the Catholic cemetery.

## AEROPLANE TURNS OVER

Two Aviators, One Farman's Brother, Fall, But Are Uninjured.

Versailles, France, June 6.—An aeroplane, carrying Maurice Farman, brother of Henry Farman, and George Besancon, secretary of the Aero club of France, capsized here Sunday.

The machine was close to the ground when the accident occurred, and the aviators, though they fell with considerable force, were not seriously injured.

## W.O.W. MEMORIAL

ANNUAL UNVEILING CEREMONIES WERE HELD SUNDAY AFTERNOON.

## A VAST THRONG IN ATTENDANCE

Sedalia Camp No. 16 and Queen City Grove No. 1, Woodmen Circle, Unveiled Monuments to Deceased Members.

In the presence of the largest assemblage ever gathered on a similar occasion in this city, Sedalia camp No. 16, Woodmen of the World, and Queen City grove No. 1, Woodmen Circle, held the annual unveiling ceremonies of the order at Crown Hill cemetery Sunday afternoon.

A conservative estimate of the day's attendance placed the crowd at three thousand, although to many it appeared that there were many more thousands present.

Members of the Woodmen and Woodmen Circle began assembling at the hall shortly after 1 o'clock Sunday afternoon, but it was 2 o'clock before the procession started.

The line of march, which was led by the Second Regiment band, formed at the hall, in the Cassidy building, and passed east on Fifth street to Engineer avenue, thence to the cemetery.

The day was ideal for the occasion, and when the procession reached Crown Hill cemetery the place was almost filled with Sedalians, men, women and children, who hurried there ahead of the procession in order to witness the ceremonies.

The speakers of the day occupied open carriages in the fore part of the procession, followed by the members of the drill team of Sedalia camp and the Boys of Woodcraft of Clinton.

Members of the Woodmen, walking, followed, after which came the members of the Woodmen Circle in carriages, followed by numerous private conveyances.

At the cemetery Judge D. E. Kennedy delivered the address for the Woodmen, the poem being recited by W. W. Blein.

Mrs. Ada A. Smith delivered the address for the Woodmen Circle, and the poem for that order was read by Mrs. Cora B. Baker.

The flower committee, consisting of seven members, decorated the graves of the deceased sovereigns during the forenoon.

En route to the cemetery the band rendered appropriate music, also at the cemetery just before the day's ceremonies began.

Among the throngs to attend were many from Clinton, Warsaw and other nearby towns, Clinton sending the largest delegation, including its drill team.

## LAMONTE WON ON SUNDAY

Took the California Team into Camp By a Score of 2 to 1.

The Lamonte ball club defeated the California team on the grounds of the latter Sunday afternoon in the presence of a large audience by a score of 2 to 1.

The home team made its lone score in the fourth inning, while the visitors could do nothing until the ninth, when they got two men around the bases.

Duvenick and Wilkinson, of Sedalia, were in the points for Lamonte, while Farris, formerly of the Brooklyn National league team, and Sullivan, of Warrensburg, constituted California's battery.

Lamonte got 5 hits and had 1 error, while California secured 7 hits and had 2 errors.

Another game is to be played this afternoon. Thomas, of Warrensburg will pitch for Lamonte, with Wilkinson catching, while Howard, of Lee's Summit, and Sullivan, will be California's battery.

## Second Death in Family.

A three-months-old child of Alonzo Hulen, a gas fitter, and a twin to the son who died last Thursday, died at the family residence, on North Engineer avenue, Sunday. Funeral services were conducted at the residence this afternoon.

## Mrs. Trent Is at Maywood.

Mrs. Don P. Trent, wife of the Smoke House cigar salesman, was removed to Maywood hospital last night to undergo medical treatment.

## Went East on a Visit.

Christian Witzig, who resides with his son, John, on a farm seven miles east of Houstonia, was in the city Sunday, and left at midnight for a visit at Buffalo, New York, and also at points in Michigan. He will be absent a month and anticipates a delightful trip.

## William Shain Convalescing.

William Shain, the 7-year-old son of Judge and Mrs. H. B. Shain, who has been critically ill with pneumonia for several days past, is better today. The crisis was passed Sunday, it is thought, and unless something unforeseen arises the lad's recovery is confidently anticipated.

## MRS. LEACH'S BODY

ARRIVE HERE AT NOON TOMORROW ON MISSOURI PACIFIC TRAIN NO. 2.

## DELEGATES WILL ACCOMPANY IT

Services at the Home by Fraternal Orders, and Later at Epworth M. E. Church—Burial at Crown Hill Cemetery.

The remains of Mrs. Joshua A. Leach, wife of the founder of the Brotherhood of Locomotive Firemen and Enginemen in the United States, who died suddenly from heart failure at Omaha, Neb., last Saturday afternoon, will arrive in Sedalia on Missouri Pacific train No. 2 at 12:21 o'clock tomorrow afternoon.

Mrs. Leach died at the home of Mrs. W. H. Ahmanson, a daughter of Mrs. George S. Hayden, of Sedalia.

A representation of the B. of L. F. & E. of Omaha will accompany the body to Sedalia, where a delegation from the Sedalia brotherhood, also a delegation from Sedalia lodge No. 25, I. O. O. F., will escort the remains to the deceased's late home, 1507 East Seventh street.

At 3:30 o'clock tomorrow afternoon at the residence the ritualistic services of the W. R. C. and the ladies' auxiliary to the B. of L. F. & E. will be carried out. Immediately after which the body will be conveyed to the Epworth M. E. church, of which deceased had been an ardent member, where the ritualistic services of the K. & L. of S. will be rendered, followed by the preaching of the funeral sermon by the Rev. Henry L. Glover, pastor.

At the church Miss Agnes Scott Longan will sing "Face to Face." The casket will be opened at the home, but not at the church. After the church services the remains will be taken to Crown Hill cemetery, where brief services will be conducted by the Loyal Rebekahs and the ladies' auxiliary of the B. of L. F. & E.

Active pall bearers will be: Otis W. Smith and W. M. Slagle, representing the church; J. F. Hoover and B. F. Amos, representing the brotherhood; B. E. Buren and F. E. Hoffman, representing the I. O. O. F.; Honorary pall bearers will be: Mrs. J. M. Hoover, representing the church; Miss Jennie Lewis, representing the ladies' auxiliary of the B. of L. F. & E.; Mrs. Charles Goodknight, representing the Loyal Rebekahs; Mrs. J. L. Russell, representing the ladies' auxiliary to the B. of L. F. & E.; Mrs. R. S. Long, representing the W. R. C.; Mrs. F. M. Thompson, representing the K. & L. of S.

## HER CASE WAS CONTINUED

That Against Mary Walta, Charged With Jewelry Theft.

The case of Mary Walta, a native of Vienna, Austria, who was arrested last Friday afternoon, charged with stealing \$200 worth of jewelry from Mrs. Mabel Kampling, was continued until Thursday by Police Judge J. C. Connor today, in order to give the police more time to find the \$50 diamond ring, which has not yet been located.

Riley Wells, a carriage line owner, was fined \$1 for neglecting to secure a license, and a similar amount was assessed against J. J. Rollins, also, for neglecting to secure a license.

## THE AUTO A CURSE

CHANCELLOR J. H. DAY SAYS ONE-HALF BILLION IS TIED UP IN RED DEVILS.

## CAPITAL IS THUS UNPRODUCTIVE

Prof. Day Used Strong Language in Addressing the Graduating Class at Rochester on Sunday.

Syracuse, N. Y., June 6.—There are so many young men coursing about the country in automobiles, and their pleasure absorbs such a large share of the productive capital of the country that Chancellor James H. Day, of Syracuse University, believes it is becoming a question if the automobile is not a curse.

The chancellor was speaking to the graduating class of the University Sunday on self-sacrifice and self-denial, and he chose the automobile as a "broad and apparent illustration" of a luxury that too often is not sacrificed.

"Young mechanics and clerks and business men," he said, "who need all of their capital, are mortgaging their homes by the thousands and losing their positions often by their infatuation with this form of pleasure."

"It is said about \$500,000,000 is invested in the automobile trade, and this enormous capital is non-productive. That is, it adds comparatively nothing to wealth of the people, but, on the contrary, absorbs it. It means 90 per cent of wasted money and wasted time. A certain per cent returns in business uses and wholesome rest and enjoyment."

"I know the criticism that will be sure to come because of what will be called an attack on a great industry, but I address myself to the abuse of self-indulgence in a good thing. I emphasize self-denial."

## BEEN MARRIED ONE YEAR

Mr. and Mrs. Andrew J. Knipp Entered Their Friends.

Mr. and Mrs. Andrew J. Knipp, who last Wednesday were married exactly one year, celebrated their first wedding anniversary at their home, 318 West Cooper street, Sunday, when a crowd of lady and gentlemen friends assembled at their home during the afternoon.

At the supper hour an elegant meal was served, the menu consisting of various viands palatable and delicious. It was at a late hour last night when the affair was concluded, all guests departing for their homes with a long remembrance of the occasion.

Those who attended were: J. C. Brown, Mr. and Mrs. William Franken, Frank Lorschach and daughters, Misses Ida and Amelia, Mr. and Mrs. Nelson Hanpeter, Charles Lorschach and wife, Mr. and Mrs. Eugene Hugschmidt and son, Miss Josie Rast and John Gallagher.

## FINE PROGRAM SUNDAY

Twelfth Anniversary of Dedication of a Church.

The twelfth anniversary of the dedication of the East Broadway Christian church, of which the Rev. E. H. Williamson is the pastor, was celebrated at that edifice Sunday morning and evening in the presence of two large audiences.

The program for the morning services was carried out in detail as printed in last Friday's Democrat-Sentinel.

The address of the day was delivered by the Rev. P. A. Abbott, of Kansas City. A vocal selection was rendered by Miss Sylvia Johnson, of Kansas City, and also a selection by the male quartette of the church.

The missionary offering of the day was taken up by the Rev. Abbott, amounting to about \$30, which sum will be increased by other offerings.

In the evening a children's day program was carried out.

## Taken to Maywood Hospital.

Miss Louise Menefee, a daughter of G. T. Menefee, a contractor of North Grand avenue, was taken to Maywood hospital last night, suffering from appendicitis. Drs. E. A. Wood and H. B. Cole are attending her. She is better this afternoon, and an operation may be averted.

## Came to Visit Wife and Babe.

Harold H. Inge, who is holding a good position with the Southern Pacific railway in San Francisco, Calif., arrived here Sunday afternoon for a visit with his wife and new baby daughter, upon whom the name of Martha, in honor of her maternal grandmother, has been bestowed.

## Honor for a Sedalia Divine.

The Rev. Grant A. Robbins, D. D., the popular pastor of the First Methodist Episcopal church, has accepted an invitation to deliver an address to the Elks of St. Joseph at Tootle's opera house on "Flag Day," June 14. He will depart for there Monday afternoon, the 13th inst.

## NO SUNDAY SHOWS

MAYOR OF TOPEKA, KANSAS, REFUSES TO ALLOW THEATERS TO OPEN.

## CITY HAD ALREADY BEEN BILLED

Chief Executive Notified the Management That Actors Would Be Arrested if Entertainment Was Given.

Topeka, Kas., June 6.—Topeka theaters failed to give Sunday shows last night, as threatened.

Saturday they billed the town for Sunday performances. However, Mayor Billard served notice that he would arrest the actors if they violated the Sunday law.

Billard was recently elected mayor because he favored Sunday theaters; but he says the law must be repealed first. As long as it is on the books, he says, it must be obeyed.

The majority of the commission is against its repeal, so the prospects are that Topeka will have no Sunday theaters soon.

Policemen were stationed at each theater to make arrests in case performances were given, but there was nothing doing.

## SULLIVAN DAMAGE SUIT

The Petition Alleges More Than Was Printed Sunday.

Patrick Sullivan, living northeast of Sedalia, who last Friday brought suit against H. F. Schmidt, of Murray & Schmidt, et al., for \$10,000 damages, for polluting a stream near the Sullivan home, stated to the Democrat-Sentinel Sunday that the defendants not only threw chicken entrails, feet and feathers into the stream, but also dead hogs, rotten eggs and the debris from the Menefee fire on West Second street, where several horses were cremated.

The stench from the offal is something awful, Mr. Sullivan says, and he will attempt to convince a Pettis county jury of the alleged fact.

## WILL STRIKE BE SETTLED

This Is the Report That Comes From St. Louis This Afternoon.

A rumor is current on the streets this afternoon that the strike of machinists, apprentices and helpers at the Missouri Pacific shops is on the verge of a settlement at St. Louis, and the same source states that word of an agreement whereby the strikers would resume work would not occasion any surprise to members of the union.

The machinists' chief officer, of Cleveland, Ohio, is at St. Louis today, meeting with the officials.

Missouri Pacific officials here say they know nothing in the premises.

## ELECTION OF OFFICERS

Baraca Class of First Baptist Sunday School.

The Baraca class of the First Baptist Sunday school held their annual election of officers in the class room of the church at 10 o'clock yesterday, the following officers being elected: President—W. L. Hyatt. Vice president—R. T. Smith. Secretary—C. J. Burk. Assistant secretary—S. K. Melton. Treasurer—A. R. Scott. Treasurer's assistant—J. E. Norlin. Prof. Daniel Shuts was re-elected as teacher of the class.

## COME TO SEDALIA

MR. P. V. JORDON AND HIS FAMILY FROM FORT SCOTT, KANSAS, TODAY.

## SUCCESSOR OF JOS. H. LINCOLN

Mr. Jordon Receives Promotion From Local Manager to District Manager of the Sedalia District.

P. V. Jordon, for the past five years local manager of the Bell Telephone company here, has been given a promotion, that of manager of the Sedalia district, which includes fifteen counties and thirteen exchanges, says the Fort Scott Tribune.

Mr. Jordon and his family will leave Monday for Sedalia and it is expected he will be checked in immediately. The district is one of the largest and includes besides Sedalia, St. Joseph, Jefferson City, Warrensburg, Clinton, Boonville and a number of smaller towns. Mr. Jordon succeeds Mr. J. H. Lincoln, who goes to St. Joseph as superintendent.

The man to take Mr. Jordon's place here has not yet been named, but it is thought the appointment will be made the early part of next week. It will not be a local man, however, and the change will not make any difference in any of the other departments here.

Mr. Jordon's new position carries with it a salary that quite exceeds the one he receives here. The promotion comes because of the ability and interest displayed by him during his preceding service with the company.

Mr. and Mrs. Jordon will not move their household goods to Sedalia for at least a month. During his residence here Mr. Jordon has built up an enviable record for congeniality, and his friends include those whom he has met both in the business and social world. Mr. Jordon regrets leaving Fort Scott as much as his friends dislike to see him go.

## MARRIED ON SABBATH

Mr. J. F. Hummell and Miss Alice Culbertson by Rev. Campbell.

J. F. Hummell, a well known sheep salesman of Kansas City, and Miss Alice Culbertson, of this city, were united in marriage by the Rev. F. Y. Campbell, pastor of the First Baptist church, at 9 o'clock Sunday morning, the ceremony being said at the church study.

The only attendants were Mr. and Mrs. J. V. Tapp, the former being a brother of the bride.

Mr. and Mrs. Hummell left during the afternoon for Kansas City to make their home.

## ERNEST HEATON IS DEAD

Dr. A. H. Heaton Was With Brother at Time of Death.

A telegram was received in Sedalia this afternoon announcing the death of Ernest Heaton, an implement dealer of Joplin, Mo., and a brother of Dr. A. H. Heaton, of this city.

Death occurred this morning, but the cause is unknown. Mr. Heaton was about 46 years of age and leaves a widow and one married daughter. The body will be buried in Sedalia. Dr. Heaton was with his brother when death occurred.

## HARRY SUTER TO FRISCO

Sold By Comiskey, of the Chicago American Team.

George Suter, the plumber, today received a telegram from his son, Harry Suter, a member of the Chicago American league team pitching staff, saying that he had been sold to the Frisco club of the Pacific coast league, with which team he played before going to Chicago.

Harry has been playing bench almost the entire season, and in the meantime Chicago was losing game after game. Surely the Sedalians could not have made a worse showing than Scott, Walsh and the other old-timers.

Harry should be glad of the change, for he will get a chance to work with Frisco, and Comiskey may rue the day that he made the sale.

**The Weather Forecast.**

Generally fair weather, except possibly  
showers in the extreme west  
portion late tonight or Tuesday.

**CAUSE AND EFFECT.**

An article in Advertising and Selling  
says: "If the general advertiser  
can find one line of business prepon-  
deratingly successful in widely different  
localities, under widely different  
conditions, making greater sales to  
the greatest percentage of population,  
at the greatest total profit and still  
continue to grow, he has secured a  
line of business which is practically  
ideal in guiding him with its experi-  
ence. If, having found this ideal line  
of business, he finds that in all the  
different localities in which it is lo-  
cated, under varying conditions, it  
has reached the attention of the sur-  
rounding population by one particu-  
lar method, it is a logical and natural  
deduction that this effect is the re-  
sult of an ideal cause."

The ideal line of business answer-  
ing this description is that of the de-  
partment stores; the ideal cause of  
their success is newspaper advertis-  
ing, which is their almost exclusive  
means of communicating with the  
people. The general advertiser will  
find the path blazed by the depart-  
ment stores worth following.

Senator Hale, of Maine, in a re-  
cent speech, deplored the extrava-  
gant scheme of naval construction now  
pending. He predicted that be-  
fore long the naval budget would be  
swollen to \$175,000,000 annually. In  
denouncing this extravagance he cited  
with ecstasy Theodore Roosevelt's  
recent peace pronouncement at  
Christiana. While Roosevelt was  
president Senator Hale had many an  
occasion to deplore his policy as first  
or all promoters of extravagance in  
naval expenditures on his theory that  
wars are necessary to cultivate the  
heroic spirit of a nation. The senator  
overlooked, too, the fact that the  
Christiana speech was considerably  
modified by the warlike speech in  
Berlin.

his judgment is correct.

day, surrendered to the authorities  
today.

While waiting for the officers in  
the rear of a drug store here an un-

**HICKS THE GROCER****OPERATION FOR "LIFER"**

Asks "Pen" Officials to Have Crimi-  
nal Tendencies Removed.

Columbus, Ohio, June 6.—John Mc-  
Grew, serving a life sentence from  
Cuyahoga county for murder, has  
made a peculiar request of the peni-  
tentiary officials.

McGrew claims that his criminal  
tendencies are due to a defect in his  
skull, caused by a railroad accident  
some years ago. He asks that an  
operation be performed and the af-  
fected part of his skull be either  
raised or removed.

John McCarthy was received at

Boston, June 6.—Bristow Draper is  
to quit the job he has held for three  
years as a mill hand in Burlington,  
Vt., and return with his wife to the  
splendid home of his father, Eben S.  
Draper, the present governor of the  
state, at Hopedale.

Draper's mother authorizes the an-  
nouncement, which shows that the  
estrangement which followed the  
marriage of young Draper to Queenie  
Sanford, the actress, has at last been  
overcome.

Bristow Draper will arrive in Hope-  
dale the first of July. It is believed  
he will be given a semi-official place  
in the mills of the Draper company,  
where he will be the big man when  
his father retires.

Ruffing's Reward for Returning \$11-  
600 in Checks He Found.

Indianapolis, Ind., June 6.—John  
Ruffing found on one of the promi-

taining \$11,600 worth of indorsed  
checks. Ruffing immediately notified  
the Parry Manufacturing company.

The checks belonged to the Parry  
company, which promptly rewarded  
Ruffing with a note of thanks.

The checks were lost by an office  
boy on the way to a bank. One of  
the company's officials explained that  
Ruffing was not given a substantial  
reward at the time because he (the  
official) could not get away from his  
duties to see him.

**WM. COURTNEY****TRIED TO CLIMB FENCE**

Child's Head Fell Between the Pick-  
ets and Death Resulted.

Tell City, Ind., June 6.—Hanging  
with her head pinned between two  
pickets of the yard fence, Minnie  
Schauss, the 3-year-old daughter of  
Michael Schauss, was found dead at  
her home near this city.

The child had started to the barn,  
and, being too small to open the  
gate, had attempted to climb over  
the fence. Evidently she had fallen  
when near the top, her head catching  
between the pickets.

The child's neck was broken, and it  
is supposed that death was instan-  
aneous, as no cry was heard by her  
mother, who was busy in the house  
at the time.

## KILLED BY WORRY FREE!

J. M. PROCTOR, FATHER OF MRS. ALMA VAUGHN, DIED ON THE SABBATH.

## WAS WORRIED OVER ACCUSATION

Gave Liberally to Many Cause and Divided \$100,000 With His Children a Year Ago—The Funeral on Tuesday.

Monroe City, Mo., June 6.—J. M. Proctor, one of the wealthiest residents of North Missouri, died at his home in Monroe City Sunday morning. He was 73 years old.

Mr. Proctor was the father of Mrs. Alma Proctor Vaughn, indicted jointly with Dr. James R. Hdl, of Monroe City, on a charge of poisoning her husband, Prof. John Thomas Vaughn, of the chair of American history at the Kirksville state normal school, and widely known as an educator and author.

The accusation against his daughter, whom he idolized on account of her wit and beauty, is believed to have hastened his death.

Mr. Proctor had suffered from heart disease for several years, but a few months before Mrs. Vaughn was indicted he had been greatly improved.

Friends believe that the immediate cause of his death was a broken heart over the accusations against his daughter, whom he could believe to be only innocent.

Mr. Proctor was universally beloved in Monroe county, where he had lived since he was a young man. He was a native of Kentucky and was related to many of the most distinguished families of that state as well as those of Missouri.

In addition to his bank and agricultural holdings in Monroe county, Mr. Proctor and numerous Missouri associates were interested in lands and cattle raising in Texas. About one year ago he gave \$100,000 worth of property to his children. His gifts to many causes were numerous.

He was a Knight Templar, for thirty-eight years treasurer of Bethel Baptist association, and deacon and charter member of the First Baptist church of Monroe City. The funeral will be conducted at the church Tuesday afternoon at 3 o'clock.

Mr. Proctor is survived by the widow and eight children: Mrs. Ellen Proctor Brown, of Lexington, Ky.; Thomas and Zach Proctor, live stock commission men of Chicago; Mrs. Alma Proctor Vaughn, of Monroe City; Mrs. Mattie Johnson, of Texas; Mrs. Anna Baker, of Fort Worth, Texas; James M. Proctor, Jr., of Monroe City, and David M. Proctor, an attorney of Kansas City.

## JEFF LOOKS GOOD

THE ONCE CHAMPION SHOWED SPEED IN THREE ROUND BOUT ON SUNDAY.

## CORBETT AND CHOYNSKI'S STUNT

They Are to Appear in Frisco for a Benefit—Jeffries Was Asked to Appear, But He Declined the Honor.

Ben Lomond, Cal., June 6.—Jim Jeffries performed prettily Sunday before 500 spectators in his training camp gymnasium. Three rounds of speedy sparring with Joe Choynski set the crowd wild with delight. The pace was so fast that it is doubtful if Choynski could have gone many more rounds.

Jeffries came out of it smilingly. He was in rare good humor and boxed with his face to the crowd, so that they could get a good look at him. The gymnasium programme included rope skipping, bag punching, shadow boxing and a short tug at the chest weights.

Another little sparring match not on the programme was the feature of the day. The principals were Jim Corbett and Joe Choynski, who had been bitter enemies since their last battle in 1889 until they met recently here. Now they are inseparable cronies. They happened to come together with the gloves in this way yesterday:

After Jeffries had finished his ring work John Martin, chief of police of San Francisco, who was down for the afternoon, drew Jeffries aside and asked him to appear in an exhibition in San Francisco June 11 for the benefit of a fraternal order. Jeffries refused for him to break his training.

"I can't take a chance," he said, "of a change of cooking or water; besides it would cut into my regular sleeping hours."

Corbett and Choynski happened to overhear the conversation. They at once volunteered their services, offering to appear in a three-round exhibition. Their offer was accepted, and after Jeffries had gone out the two old cronies decided to start in training with each other right away.

They stepped through three rounds, each careful not to hurt the other. Although the pace was slow it told on Corbett and he was breathing heavily at the finish. The announcement that the two veterans were at it drew a crowd running to the gymnasium.

Final arrangements for the moving pictures of the fight will be signed by the representatives of the two camps in San Francisco Tuesday. Manager Sam Berger returned to camp last night after making the picture details in San Francisco. Promoter Jack Gleason called on Jeffries Sunday and held a long conversation with him. He said he came down for pleasure only and left for home last night.

Jeffries motored down to Santa Cruz last night and will spend today fishing in Monterey bay.

"It cured me," or "It saved the life of my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea remedy. This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or bowel complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea remedy is that it cures. Sold by all dealers.

## DEAD AFTER OPERATION

William Sydney Porter, Better Known as O. Henry.

New York, June 6.—William Sydney Porter, better known to the public by his pen name, O. Henry, recognized as one of the leading short-story writers of the age, died yesterday at the Polyclinic hospital in East Thirty-fourth street of cirrhosis of the liver. He was 46 years old.

An operation was performed by Dr. Charles Russell Hancock last Friday, but the condition of the author, even at that time, was considered hopeless by the surgeon.

Mrs. Porter arrived in the city after her husband died, from Whitman, N. C., and arrangements have been made for funeral services, to be held today at the Church of the Transfiguration. The body will then be taken to Asheville, N. C., for burial.

## RAISE THE WAGES

OF FIREMEN AND ENGINEERS ON FIFTY-ONE WESTERN RAILWAYS.

### INCREASE OF TWELVE PER CENT

Demands Granted When It Was Shown That the Increased Cost of Living Made Necessary a Raise in Wages.

Chicago, June 6.—Twenty-seven thousand employees on fifty-one railroads operating west, northwest and southwest of Chicago will receive a wage increase aggregating \$3,000,000 a year as a result of a decision given Saturday by the arbitration board chosen some time ago to pass upon the demands of the Brotherhood of Locomotive Firemen and Engineers for an increase in pay. The award of the arbitrators means an increase in wages all along the line ranging between 10 and 12 per cent.

It was the conclusion of the arbitrators that this advance should be given solely because the cost of living has advanced at a very substantial rate. Leading features of the decision announced by the arbitration board include the following:

Firemen in main line and passenger service shall be granted an increase of 15 cents per 100 miles or less.

Firemen in through and irregular freight, mixed, work, wreck, gravel, helper, pusher, snow plow and branch service (except Mallet type engine) shall be granted an increase of 15 cents per 100 miles or less, provided that on coal burning engines firemen in this service shall receive an additional increase of 15 cents per 100 miles or less.

Firemen in local or way freight service shall be granted an increase of 10 cents per 100 miles or less over an eight-cent rate established by one-half miles per hour basis for such runs. On lines where increased rates are now allowed in local or way freight service over through freight rates such differentials will be maintained.

Firemen on Mallet type engines shall receive \$4 per 100 miles or less in all classes of service. This rate shall also apply on lines where the schedules provide for trip basis in helper or pusher service in accordance with rules in effect.

Firemen in yard service shall be granted an increase of 25 cents a day. Where the rate of pay is provided for transfer service, firemen shall be granted an increase of 25 cents a day. On lines where rates of pay are negotiated through the Brotherhood of Locomotive Firemen and Engineers committee for hostlers, engineers and engine dispatchers, such employees shall be granted an increase of 25 cents per day. Overtime shall be paid pro rata.

It was announced by the arbitrators that the increases awarded shall be retroactive as of May 16 last. In the negotiations with the employees the railroads were represented by Vice President and General Manager Nixon, of the Frisco.

## ARE AT THE TAPE

(Continued from Page 1)

Mrs. C. H. Bard that was especially beautiful and heartily enjoyed, and a short talk by Mr. J. H. Piper, secretary of the Y. M. C. A. of Sedalia, who told briefly of some of the features planned to make the public aware of the progress of the campaign—chief among which are the placing of a gigantic clock upon the front of the court house that will register the amount subscribed to this fund every day. In addition to this the large siren whistle of the Monarch laundry will blow one long blast for every \$500 subscribed to the Y. M. C. A. building—and do not be surprised.

Mr. Piper spoke briefly of the already accomplished by the Y. M. C. A. in Sedalia, told of the restricted workings and limited possibilities of the association in its present unattractive rented quarters, and what could be done in a building such as is proposed for this city.

With a few well chosen remarks Mr. Piper introduced Judge Louis Hoffman, one of Sedalia's best workers and a man closely identified with every matter of great public concern for the uplifting of Sedalia. Mr. Hoffman said in part:

"Ladies and gentlemen, I want to congratulate you upon the opportunity you have before you in helping to build a Y. M. C. A. building in Sedalia. I also want to congratulate you upon the fact that I am not prepared to make a speech, as I did not even know I was to be called upon until I came upon the stage a few minutes ago. I want to assure you that if I had known I was to be afforded the privilege now extended to me I should be able to talk for two or three hours without any difficulty. Therefore I congratulate you that I am taken by surprise in being called upon to address you.

"Away back in '81, I believe it was, a small body of men, I believe about twelve in all, gathered at the home now occupied by Dr. Tucker, corner of Broadway and Kentucky street, and there organized what became a regular established Young Men's Christian Association. This house was the meeting place for a short time. We afterwards removed to the rooms over Dugan's paint store, then to rooms over the Sedalia Printing company, now temporarily occupied by the Y. M. C. A. building headquarters, and finally to 514 South Ohio street, where the owner of the land built a small building for us, which we agreed to lease for a term of five years.

"After laboring to remain as an organization under adverse circumstances, caused by the removal of many members, this organization was dissolved after about two years. Some might say that this was a failure.

"But let me ask you, was it a failure? Besides the large amount of good this association did while organized, I have heard almost every week from the fruits of the work done in that short time through men then members who received their first de-

termination to become men of power in their communities—John Montgomery, Jr., Charles McLaughlin, J. H. Mertz and myself being among the number. Then there are almost a score of other men in other cities of equal prominence who were members with us in Sedalia.

"Truly you are afforded an opportunity to lay up for yourselves treasures in heaven, where moth doth not corrupt nor thieves break through and steal when you are asked to help in building this splendid Y. M. C. A. building.

"Ladies and gentlemen, I have the honor to introduce to you a man who comes to us, a worker for more than twenty-five years in the cause of Y. M. C. A. organization, a man whom many of you know, as he is no stranger in Sedalia, Mr. George T. Howser, field secretary for the Y. M. C. A., now temporarily filling the vacant office of secretary of the association at Moberly, Mo."

Mr. Howser spoke in part as follows:

"Ladies and gentlemen: I truly appreciate the honor extended to me at this time to speak to such a representative gathering of Sedalians, and I congratulate as many of you as have shown an interest in this movement by your presence here and by the expressed wish of many of you to help with your time and money to give Sedalia this Y. M. C. A. home.

"I consider this city, where so many of you are known to me, and I am no stranger to you, as one of the most enterprising in the state; and it is now the chance of every citizen to maintain the city's reputation. No movement can possibly be of greater importance. In the final test, any movement is dependent upon the character of the men it produces—and by this the Y. M. C. A. would rank high.

"Sedalia will by no means be in a class by itself when this building is secured, for there is over one million dollars invested in the state in Y. M. C. A. buildings, with nineteen buildings, two under way and one other planned beside the one in Sedalia. This building to be built here will stand as a model and example for other cities to follow.

"I want to see so many women building and for the tremendous influence for good this association will have upon your boy.

"When I was secretary of the Y. M. C. A. at Cincinnati, which office I held for ten years, a mother came to me one night and told me that the association had solved the problem of raising her boy, that it had done more to make an honest boy out of him and start him on the better path than all the years of careful, prayerful training she had ever used in her home development of the boy.

"This is only one of hundreds of like instances. It is probably the case with the mothers of boys in Sedalia—boys who are now members of the Y. M. C. A. and are anxious for this home.

"The hope of the future greatness of this country lies in safeguarding the young men and boys, and the Y. M. C. A. is a national help, as it has held of every worthy citizen of the United States and of all nations for that matter. The physical development of the young men and boys of the country under Christian development is another factor that places the Y. M. C. A. as doubly important to the success of the country.

"Why, do you know that less than twenty years ago the only place where gymnasiums where physical instruction could be received was in the organizations known as the German Turners, and while many of these orders were commendable, practically all of them maintained bar rooms or beer gardens in their vicinity. The Turners today are the most enthusiastic helpers in the Y. M. C. A. gym-

## A LAFAYETTE WOMAN HUNG

Marvelous Result of a Woman's Plea.

An old lady called on the Root Juice scientist over at Lafayette, Ind., and said: "I actually hung to the neck of my husband and pleaded with him to try Root Juice. So much was being said about the remarkable cures the remedy has made that I felt it might do him some good. He had suffered for years with his stomach and kidneys and severe headaches. Every change of the weather his back pained him very much and of late years the lightest food would ferment in his stomach and bowels and the fermentation of gas would cause him to bloat so that he could not button his vest. He tried so many medicines that he lost heart, but I finally persuaded him to take Root Juice. He has used but a little over two bottles and I never saw such a change in a man in my life. He told me this morning that he would not take the best farm in the state for what the wonderful medicine has done for him." A number of local people have reported remarkable cures resulting from a short use of the great health-promoting discovery. It gives a good appetite, creates good digestion and seems to heal and tone every organ in the body. Root Juice is \$1 a bottle, or three bottles for \$2.50, at Wilcox's drug store.

## BE PLAIN "MR. BILL"

Baroness Renounces Title to Wed "Bill" Potch, of Harvard.

Boston, June 6.—Preferring a clean cut American to any of her titled countrymen as husband, Baroness Fueger Von Rechthorn, who belongs to one of the most distinguished branches of the Austrian nobility, has renounced all the advantages of title to become Mrs. "Bill" Potch, Harvard '09, of Boston.

Baroness Von Rechthorn is a third cousin to Count Laszlo Szechenyi, who married Gladys Vanderbilt. She has been in Boston about four years, passing to the general public as Miss Mitzl Gall.

Only a circle of intimate friends knew her real identity. She left Austria because of the pressure brought to bear on her by her relatives to induce her to become the wife of an old aristocrat whom she disliked.

Under the custody of her guardian until the age of 24, she will not be able to contest for her estates until she becomes of age.

The young Harvard graduate and his bride are both talented musicians. A few days ago former college chums of Mr. Potch learned that the couple had been married for several months. Inquiries showed that one morning at 6 o'clock the marriage ceremony had been performed at St. Cecilia's church.

## POLICE CONTINUE RAIDS

Seventy More Card Players Taken to Headquarters.

Kansas City, Mo., June 6.—In addition to the 108 persons arrested Saturday night on the charge of gambling, seventy more were taken to police headquarters early yesterday morning on the same charge, making the total from sundown Saturday night until sunrise Sunday morning, 178.

Saturday night's raids were a continuation of the campaign that was commenced a week ago Saturday night, when nearly 100 arrests were made by orders of Captain Walter Whitsett. Saturday night the raids extended to districts under the surveillance of commanders of other police stations.

A. L. Baldwin, near Fifty-sixth street and Swope parkway, was arrested at 2 o'clock yesterday morning, and with him nineteen others.

At various places on the North Side fifty negroes were arrested on the gambling charge early yesterday morning.

The "W. C. T. U." Meets Tuesday.

The W. C. T. U. will meet with Mrs. William C. Chappel, 1010 West Seventh street, at 2:30 o'clock tomorrow afternoon.

## GIRL OF 19 VICTIM

TWO FIENDS LURED PAULINE KRAYEKA TO BARN IN BROOKLYN.

## ONE ARREST IS MADE BY POLICE

Young Woman Was Most Cruelly Tortured With Hatpins—Swoons at the Sight of a "Human Arm."

New York, June 6.—Pauline Krayeka, of No. 197 East Third street, Manhattan, 19 years old, and of unusually attractive appearance, was taken to the Norwegian hospital, at Brooklyn, Saturday, after having been lured to a barn on Sixty-fourth street, near Eleventh avenue, Brooklyn, where she was mistreated with almost incredible brutality.

Two young men lured the girl to the barn on the pretext of showing her the way to a trolley car she wanted to take. Forced into the barn, her clothing was torn off and she was bound and then subjected to torture until she became helpless.

The fiendish attackers, with the girl's hat pins, punctured her flesh from the soles of her feet to her head. They beat and bruised her, pounded her face with their fists and finally showed her what they said was the arm of their last victim—a woman who persisted in resisting them.

In the same barn where this attack occurred, another young woman, Helen Wilson, of No. 89 Adelphi street, Brooklyn, was attacked last Wednesday. She was not tortured and beaten, however, and the police apparently did not manifest much interest in her case.

The authorities became tremendously active in Miss Krayeka's case Saturday, however, and made a house arrest within a few hours.

James Murdock, admitted that he was in the barn Friday night, and that he knew that men in the barn had a woman there, but he denied having taken part in the attack.

He was taken before the girl in the hospital and she recognized him as a man who, she declared, had not only looked on at her torture, but had robbed her of \$99 and a gold watch and chain. Murdock was locked up on a technical charge.

The girl's story of the outrage includes the following horrible details:

There was only the faint light of a candle in the barn and by its dim flicker the girl's assailants were only fitfully revealed. All had slouch hats pulled low over their foreheads.

As soon as the girl realized the purpose of the miscreants she fought and screamed and exerted all her strength to free herself. It was then the ruffians began gradually to torture her with hat pins and by pounding her with their fists.

They first stuck the hatpins into the soles of her feet and then into all parts of her body. When she still struggled the men brought out a ghastly white thing which they said was a woman's arm.

"We tore this from the last girl who was here," said one of the men, "and we will tear your arms off if you do not do as we wish."

At this the young girl swooned.

When the police later descended on the barn, they found a long polished gourd, fashioned to look like a human arm. This is what the girl's torturers had called the arm of their last victim. It is thought.

The surgeons at the hospital informed the police that it was impossible to imagine a worse case. The brutality of the girl's assailants, said the doctors, was almost without parallel.

Only the girl's hardy constitution may save her life. A more delicate woman would have died during her torment, the physicians declare.

## CARRY BOMBS IN THE AIR

In Army Test They Will Be Dropped on Dummy Forts.

Chattanooga, Tenn., June 6.—A spectacular test of the utility of the aeroplane in warfare, using high explosives, is to be made at the military encampment of United States troops and the national guard of several southern states at Chickamauga park this summer.

Hamilton will carry aloft from 200 to 300 pounds of highly explosive nitro-glycerin bombs.

Racing at a speed varying from forty-five to fifty-five miles an hour, he will release this deadly cargo while at a height of a quarter of a mile above the earth, raining it down upon dummy fortifications, batteries, arsenals, bridges, trains and troops.

## SOUGHT BY POLICE

AN "AD" SWINDLE THAT PANNED OUT EXCEEDINGLY WELL IN NEW YORK CITY.

## CARETAKERS FOR COUNTRY PLACE

Were Asked to Put Up a Deposit of \$200—Number of People Were Victimized Out of Various Sums of Cash.

New York, June 6.—Extraordinary efforts are being made by the police to capture a man who for several weeks has been swindling persons in this city by means of advertisements in the "Help Wanted" columns of newspapers.

His swindle is of the meanest sort, for he works on the credulity of poor persons who have a few dollars saved. He has obtained several hundred dollars from his dupes.

The swindler began operations by advertising for a man to take charge of his country home in Tuxedo during his absence in Europe. He represented that he was connected with the Buden family of this city, using the name of H. W. Buden.

He received many replies to his advertisements and directed those who sought the position to meet him at the Hotel Manhattan. This was after he had previously interviewed the applicants at their homes and questioned them as to their financial status. Those who had no money were not invited to the hotel.

To those who did call, the man made the position particularly in-

viting. He declared there was practically no work to be done; that they merely had to live on the premises and would have the use of the hot house, truck garden products and horses and carriages.

But he wanted to be careful in selecting a man and wife, because last year, his story ran, he left a couple in charge of his place and on his return found it had been so abused that it cost him several hundred dollars to repair the damage. For that reason, he said, any couple who wanted the position, with a salary of \$90 a month, would have to leave with him a deposit of \$200 as a guarantee that the property would not be damaged.

He found numerous victims, although in no case, so far as known, did he get the full amount of the deposit. In one instance, it is said, he got \$100 from an aged woman, who fainted when informed that she had been swindled. In another case he got \$25 and the victim called again to pay the remainder, but the man had flown.

The man is described as about 50 years old, stocky and erect in build, with brown hair, a round, pleasant face, blue eyes and a prominent scar on the right side of his neck.

## NEWS OF THE RAIL

W. M. FREEMAN WAS STRUCK BY WING OF DERRICK NEAR COFFEYVILLE.

COACH, CAB AND CABOOSE ITEMS

Matters of Interest Picked Up From Various Sources for the Benefit of Democrat-Sentinel Readers.

W. M. Freeman, a Missouri Pacific brakeman, of this city, was killed Saturday morning near Coffeyville, Kas., says Saturday's Nevada Post. The wing of the large derrick on the work train hit him while he was standing near it. The force of the blow broke his back. Death was almost instantly.

The remains will be shipped to this city Sunday. The unfortunate man is a brother-in-law of Conductor Lipe, of 543 East Lee street. He was a single man and was very popular with his fellow trainmen. The funeral services will be conducted from the Lipe residence Monday morning at 10 o'clock. The remains will be buried in Deepwood cemetery.

A year ago a brother of the deceased was killed at Lamar when a Frisco train crashed into a Missouri Pacific crossing south of Lamar. Several years ago another brother was accidentally killed on a railroad.

"Katy" Depot Was Burned.

During the heavy thunder storm Saturday morning the M. K. & T. depot of Montrose was struck by lightning and totally destroyed by fire, says the Clinton Democrat.

The bolt came about 5:30 o'clock and roomers in the Schade hotel, just across the track, were temporarily thrown into a panic.

The hotel was ignited several times by the heat from the burning depot, but close watching and the pouring rain enabled the workers to prevent the fire from spreading, thus causing but slight damage.

New Sign for the "Katy."

The "Katy Limited," one of the passenger trains of the Missouri, Kansas and Texas railroad, will have an observation and electric sign, due to the work of Henry Drew, of Parsons, Kas., a conductor.

Drew had noticed similar signs on the rear of trains on other roads. He made a design for his own train. It was accepted by the railroad officials and will be put on the train this week.

Missouri Pacific Earnings.

A New York dispatch reports the following earnings:

## MADE BOGUS COIN

COUNTERFEITING PLANT WAS  
RAIDED IN MISSOURI PENITENTIARY.

HAS BEEN OPERATED FOR 20 YEARS

Molds and Bad Coin Are Hidden Under Cell Floor and in Mattress — Hadley to Pardon and Uncle Sam to Prosecute.

Jefferson City, Mo., June 6.—A fully equipped counterfeiting plant, in operation at the state penitentiary at Jefferson City for twenty years, was raided Sunday by Government Inspector Edward J. McHugh, of St. Louis. Molds, fire pots, spurious coins and other paraphernalia were confiscated and two prisoners arrested. Both confessed having made spurious half dollars, quarters and 5-cent pieces.

The plant, Inspector McHugh declares, has been in the penitentiary for twenty years and has been handed down from prisoner to prisoner. The men arrested are Lee J. Jayne, a five-year man from Kansas City, and Joseph Vail, another long-term prisoner from there.

A quarrel between four prisoners occupying the same cell regarding the division of the spoils was responsible for the raid.

The government has applied for warrants charging the prisoners with counterfeiting and will ask Governor Hadley to pardon the two men so the government may be able to convict them on the more serious charge.

Jayne was convicted three years ago at Kansas City for forgery and Vail is serving a long term for robbing a freight train. He also was sentenced at Kansas City.

Governor Hadley announced that he will pardon both men in October, when the federal court convenes, that they may be prosecuted.

When Warden Andrea got his information that prisoners were engaged in making spurious coins he placed a watch on the suspected men in hopes of catching them in the act of turning out the coins from the molds. His discovery was made last Thursday, and he immediately wired Inspector McHugh, who lives at No. 5535 Cabanne avenue, in St. Louis.

On arriving at the penitentiary an examination of the cell was made and the revelation that followed surprised McHugh, who has run down many plants, but none like the one he found here, according to his own statement.

Three molds used by counterfeiters were found hidden in the cell occupied by Jayne and Vail. Two sets of these were for 50-cent pieces, one for 25 and the other for 5-cent pieces. A small plaster of Paris furnace, used for heating the metal, was dug from under the cell floor. This furnace was constructed to permit a receptacle four inches square setting in the center of it. Charcoal was used for fuel.

were found eight 50-cent, two 25-cent and two 5-cent pieces. The appearance of the furnace showed it had only been in operation a short while. It is the opinion of Inspector McHugh that the men did not have a chance to put any of their coins in circulation.

## MR. HODGES A CANDIDATE

Well Known Printer and Ex-City Alderman in Race for Recorder.

There's another candidate in the field for the democratic nomination for the office of county recorder of Pettis county. He is Mr. Sam M. Hodges, the well known printer, who makes formal announcement of his candidacy in this issue of the Democrat-Sentinel. Everyone knows Mr. Hodges personally or knows of him. He has lived in Sedalia for nearly a quarter of a century, and while he has never held a county office, his association with municipal affairs in the capacity of alderman for several years, where he gave satisfaction, and as a member of the democratic county central committee, a position of honor, gave him a wide acquaintance and won him friends. He is also well and favorably known among the laboring element of Sedalia.

Mr. Hodges is competent and possesses every qualification to perform the duties of the office of recorder, and promises a strict and prompt administration if honored with election.

## COUNTY COURT DOINGS

Considerable Routine Business Was Transacted.

The judges of the county court are in session today, transacting considerable business.

A warrant was ordered drawn in favor of William Latour for \$100 for photographing a picture of Judge Henry Lamm, of the supreme court, to be placed in the circuit court room.

Arthur Crandall was appointed a deputy county surveyor.

The court ordered a bridge to be built on the county line between Johnson and Pettis counties, each county to pay one-half the cost.

A warrant for \$3 was ordered drawn in favor of Samuel J. Garrett, of Prairie township, for one wolf scalp, and a warrant for a similar amount for a wolf scalp to A. F. Rogers, of Prairie township.

The court appropriated \$73.50 to be used in fixing Morris hill, east of Green Ridge.

Cases in Justices' Courts.

Judge Rickman today continued until June 13 the case of R. J. Fleming, charged with obtaining goods by false pretenses.

In the same court, the case of disturbing the peace of Herman Stout was dismissed, owing to the absence of the prosecuting witness.

William L. Young was fined \$5 and costs by Judge Leaming today for being drunk on a train.

## Saloon Thought No. 411

Have you noticed the number of men that rode around in closed carriages day after day, before the saloon election two years ago that are on the police force now? Do away with the saloons, and you unload a lot of election machinery that is expensive and unwieldy. If we did not have saloons ONE well mounted policeman would be quite sufficient in the day time, and two would give BETTER protection than we have now. When do you see a policeman on duty south of Third street, and either east or west of Ohio. Now, what part of the city is practically without police protection, any more than calling them by phone and have them arrive 30 minutes after you don't need them?

Why don't you have the fire department driving around town amusing themselves, hunting fires as you do the police? One well mounted police would be better than THREE the way it is, if you you knew where to get him, by phone.

But there you are, they have delivered services that must be paid for and it is "take care of them." Just notice the difference in time for the fire department to get to your house, and then a policeman.
